Languages

Fluent in speaking and writing: Dutch, English, German, French, Afrikaans, Vlaams. Basic understanding of Italian and Spanish.

Citizenship

the Netherlands; permanent resident USA and the EU

Education & Degrees

Primary and secondary (classical gymnasium) education at the Coornhert Lyceum in Haarlem, Netherlands

1965-1971

State University of Amsterdam, Netherlands
Masters in Philosophy (MS)
Doctor of Medicine (MD, PhD)

1971-1973

Specialty Training in Family & Community Medicine at the State University of Amsterdam, Netherlands

1973-1974

Tropical Medicine (Infectious Diseases) at the University of Amsterdam. This included half-a-year Surgery and half-a-year Gynecology and Obstetrics

ROBERT W. GORTER, MD, PHD.
CURRICULUM VITAE

Professional Training

1971-1973	Residency in Family and Community Medicine State University of Amsterdam
1973-1974	A further term was spent in a teaching hospital in Basel, Switzerland, specializing in Oncology
1984-1987	Specialty training in General Internal Medicine and in Family & Community Medicine San Francisco General Hospital / University of California, San Francisco

Licensure

September, 1973	The Netherlands, Germany and several other countries of the European Union.
May, 1986	California, USA
February, 1994	Approbation, Germany
Juni 2005	Transfusionsverantwortlicher/-beauftragter Ärztekammer NordRhein in Düsseldorf, Germany.

Past Positions

1978 - 1984	Clinical Instructor, State University of Amsterdam Department of Family Medicine
12/1987 - 11/1988	Clinical Instructor, Department of Medicine University of California San Francisco
12/1987 - 9/1993	Attending Physican Department of Medicine, San Francisco General Hospital
12/1988 - 3/1992	Assistant Clinical Professor Department of Medicine, Department for AIDS & AIDS Oncology, University of California San Francisco
12/1988 – 7/1993	Assistant Clinical Professor Department of Family & Community Medicine University of California San Francisco

ROBERT W. GORTER, MD, PHD.
CURRICULUM VITAE

- 10/1988 - 3/1992 Medical Director
Department of AIDS Epidemiology & Biostatistics
University of California San Francisco
- 8/1988 - 3/1992 Attending Physician
Davies Medical Center, San Francisco
- 8/1988 - 3/1992 Attending Physician
Pacific Medical Center, San Francisco
- 9/1988 - 3/1992 Member San Francisco County Community Consortium
Scientific Advisory Committee
- 9/1988 - 3/1992 Member Core Faculty APEX Program
San Francisco General Hospital
- 12/1988 - 7/1993 Assistant Clinical Professor
Department of Family & Community Medicine
University of California San Francisco
- 9/1989 - 3/1992 Medical Consultant
California Medical Facilities
California Correctional System, Vacaville, California
- 1/1990 - 1/1994 Elected Member Executive Board of the Community Con-
sortium for HIV/AIDS Care and Research, San Francisco
Bay Area
- 10/1992 - 04/1993 Executive Associate Dean for Clinical Affairs,
University of Witten/Herdecke, Medical School
- 09/1996 – 1/2000 Founder and Director of the European Institute for Onco-
logical and Immunological Research in Berlin, Germany.
- 08/2001 Founder of the International Society for Oncological and
Immunological Research in Cologne, Germany, and in
several other countries.
- 01/2001 Founder and Director Medical Center Cologne, an interna-
tional clinic specialized in Oncology and Immunology
(and HIV Infection), and chronic degenerative diseases.
- 01/2004 – 08/2005 Co-Founder and Medical Director of Dendrimun-Köln,
Germany (a society for the advancement of research of
dendritic cells and the exploitation of a research laborato-
ry).

ROBERT W. GORTER, MD, PHD.
CURRICULUM VITAE

Present and/or Past Positions

- 7/1993 – 12/2008 Associate Clinical Professor
Department of Family & Community Medicine
University of California San Francisco.
- 12/1987 – 1/2003 Attending Physician
Department of Family and Community Medicine,
San Francisco General Hospital.
- 02/1993 - 1998 Member, Scientific Advisory Board
Gemeinschaftskrankenhaus Herdecke (teaching hospital of
the University Witten/Herdecke, Germany).
- 02/1993 - Present Privatdozent (Associate Professor) University of Witten/
Herdecke, Germany
- 2/1993 -2/1994 Executive Vice-Dean of the Medical Faculty of the Uni-
versity of Witten/Herdecke.
- 08/2001 – 01/2005 Director, International Institute for Oncological and Im-
munological Research, Amsterdam, Berlin, Florence, Jo-
hannesburg, Palma, San Francisco and St Petersburg.
- 07/1994 – 01/1996 Elected Vice Chair, Society for Therapeutic Local Anes-
thesia
- 01/1993 – Present Visiting Professor, Department of Family Practice, Pavlov
Medical Institute / MAPS (post-graduate training pro-
gram) St. Petersburg, Russia
- 01/2001 – 09/2005 Senior Lecturer (Associate Professor), San Francisco State
University, California, USA
- 09/1996 – 09/2006 Visiting Professor University of the Western Cape, School
of Pharmacy, Cape Town, South Africa
- 09/1994 – 01/2001 Director International Society for Oncological and Immu-
nological Research, Cologne, Cape Town, St Petersburg,
etc.

ROBERT W. GORTER, MD, PHD.
CURRICULUM VITAE

- 1/01 – Present Director Medical Center Cologne (MCC), Germany. The MCC is a clinic for internal medicine with an emphasis in oncology, immunology, tissue repair, degenerative diseases, and chronic viral infections like HBV & HCV and HIV (www.medical-center-cologne.com).
- 09/2003 – 2005 Director, Long Distance Learning Program on Anthroposophic Health Studies on a Masters Degree level, offered by San Francisco State University, College of Extended Learning.

Additional Clinical Experience

- 1971 Founder and Director, First European Methadone Detox- and Maintenance Program for heroin addicts in Amsterdam, the Netherlands
- 1972 - 1983 (Executive) Medical Director, Detoxification Program, Jellinik Clinic Amsterdam, Medical Center for Drug Addiction and Alcoholism
- 1974 - 1984 Private Practice and ambulatory clinic (day care clinic) in Amsterdam, Netherlands
- 1975 - 1983 In collaboration with Amnesty International and the State University of Leyden, the Netherlands, and supported by the Dutch government, treating tortured political refugees whom the Dutch government accepted as refugees, according to the Declaration of Human Rights by the United Nations and the Convention of Geneva
- 1976 - 1983 Under the auspices of two Dutch State Universities, post-graduate training of physicians in Family and Community Medicine
- 1978 - 1983 Founder of a clinic for heroin addicts; treatment included electro-stimulation (electro-acupuncture). About 800 patients were treated in four years. A grant of \$3,000,000 by the City of Amsterdam was rewarded for this purpose
- 1983 - 1985 Co-founder Coming Home Hospice, a hospice for homeless AIDS patients in San Francisco, California, USA

ROBERT W. GORTER, MD, PHD.
CURRICULUM VITAE

- 1983 - 1992 Attending Physician, AIDS/Oncology Clinic
San Francisco General Hospital, ward 86, San Francisco,
California, USA.
- 1984 - 1987 Senior Resident, Family & Community Medicine
San Francisco General Hospital
- 1987 – 1989 Co-founder Ayuvedic Clinic for the treatment of
HIV/AIDS patients in San Francisco
- 1987 – 1992 Attending Physician at the high-security prison Vacaville,
California, and co-founder of an AIDS-ward and various
HIV/AIDS services at this facility.
- 1992 – 1994 Attending Physician Communiy Hospital Herdecke, Uni-
versity Witten/Herdecke, Germany
- 1994 – 2000 Attending Physician Moabit Hospital, Free University
Berlin, Germany
- 2001 - Present Medical Director and attending physician, Medical Center
Cologne, Germany

Research Experience

- 1978 - 1983 Research into the effects of electro-stimulation on the pro-
duction of endorphins in cooperation with a special team
of the medical faculty at the University of Amsterdam
- 1981 Invited lecturer to China by the Chinese government and
hospitals in Peking, Kwanzhoo and Shanghai. Exchanges
clinical experiences on the effects of electro-stimulation in
heroin addiction and anesthesia, and advised on research
in animals models
- 1984 - 1985 Study of blood clotting abnormalities in AIDS patients,
San Francisco General Hospital, University of California
San Francisco, USA
- 1984 - 1992 Psychological studies in HIV/AIDS patients, University of
California San Francisco, (Collaborators: J. Mandel, PhD,
UCSF; G. F. Salomon, MD, UCLA; Lydia Temoshok,
PhD, UCSF)

ROBERT W. GORTER, MD, PHD.
CURRICULUM VITAE

1986 - 1987	Efficacy of Paromomycin on <i>E. histolytica</i> and non-pathogenic amoebas
1986 - 1989	Abnormalities in brainstem provocations in HIV positives and AIDS patients
1986 - Present	Immunomodulating and anti-viral activities of Iscador in HIV disease
1986 - 1989	Immunomodulating effects of Ditiocarb (Imuthiol) in HIV- disease
1986 - 1989	Anti-viral effects of Dextran sulfate in HIV-disease
1989	Immunomodulating and anti-viral activities of Lentinan
1989 - 1994	Prevalence and progression studies of HTLV-1 and HTLV-II in IVDU's and blood recipients
1989 – 2002	Assisted suicide by medical doctors in San Francisco in the AIDS epidemic
1990 - Present	Clinical efficacy of Dronabinol and <i>Cannabis sativa</i> in AIDS and cancer patients with anorexia and cachexia
1993 - 1994	Absorbtion of heavy metals through the skin and its effects on the immune system
1993 - 2000	Interaction of heart rate variability and breathing rate variability through non-linear time sequences
1995 - 1999	Immunomodulating and anti-HPV activities of Iscador in women with cervixdysplasia
1995 – 2000	Clinical efficacy of Dronabinol and <i>Cannabis sativa</i> in MS patients
1995 – Present	Clinical efficacy of THC & CBD and <i>Cannabis sativa</i> in epilepsy and Glioblastoma multiforme stage IV.
1997 – 1999	Clinical efficacy of seabuc oil in atopical dermatitis.
1997 – 2006	Possible psychological changes in chronic Cannabis users.
1997 – 2001	<i>In vitro</i> and <i>ex vivo in vitro</i> stimulation of PBMC's by Iscador.

ROBERT W. GORTER, MD, PHD.
CURRICULUM VITAE

- 1997 – 2003 Effects of mistletoe lectins and viscotoxins on homing of lymphocytes.
- 2001 – Present Development and clinical efficacy of autologous monocyte-derived dendritic cell therapy in patients with (solid) tumors.
- 2003 – 2010 Development and clinical efficacy of CCR5-negative adult stemcell in HIV infection.
- 2003 – 2010 Development and production of autologous mesenchymal stem cells for tissue repair.

Teaching Experience

- 1969 - 1977 School of Nursing
University of Amsterdam
- 1976 - 1983 Clinical Instructor
University of Amsterdam
- 1984 - 1993 School of Nursing
University of California, San Francisco
- 1987 - 1990 Clinical Instructor
Department of Medicine
Department of Family and Community Medicine
- 1991 - 1993 Assistant Clinical Professor
Department of Medicine
Department of Family and Community Medicine
- 1993 – 2000 Associate Clinical Professor
Department of Family and Community Medicine
- 1992 - 1993 Associate Executive Dean at the University of Witten/
Herdecke, Germany
- 1993-Present Associate Professor at the Pavlov Medical Institute, Department for Family Practice / MAPS (post-graduate trainingprogram) St Petersburg, Russia
- 1993 - Present Privatdozent (Associate Professor) at the University Witten/ Herdecke, Germany

ROBERT W. GORTER, MD, PHD.
CURRICULUM VITAE

- | | |
|----------------|--|
| 1993 - 2006 | Executive Dean and Principal Teacher at the School of Art Therapy (Scuola di Luca), Florence, Italy |
| 2006 – present | Principal Lecturer at the School of Art Therapy in Bologna, Italy. |
| 1994 - 2000 | Faculty Member as senior lecturer, Free University and Humboldt University, Berlin, Germany |
| 1995 - 2008 | Associate Professor, Department of Family Medicine, Post Graduate Program, Medical University of St. Petersburg |
| 1996 – 2006 | Professor, School of Pharmacy, University of the Western Cape, Cape Town, South Africa. |
| 1998 - 2005 | Visiting Professor, Technikon University, Johannesburg, South Africa |
| 1998 - 2005 | Witwatersrand University Johannesburg, School of Medicine and School of Pharmacy, Johannesburg, South Africa |
| 1999 – Present | Development of the Long Distance Learning Program for Anthroposophical Health Studies, San Francisco. |
| 2000 - 2001 | Guest Professor, Center for Theoretical Studies, Charles University, Prague, Czech Republic (Director Ivan Havel). |

Awards

- | | |
|-------------|--|
| 1968 - 1973 | "Studiebeurs" Medical School Scholarship issued by the Dutch government (\$50,000) |
| 1978 | Grant by Dutch government to establish detoxification clinic for drug addicts (\$3,000,000) |
| 1981 - 1983 | University of Amsterdam grant to study effect of electrostimulating on the production of endorphins (\$50,000) |
| 1987 | Universities of California San Francisco & Berkeley grant to study "Public and Institutional Responses to AIDS in Amsterdam" (\$ 30,000) |
| 1990 | University-wide AIDS Task Force "HIV and other STDs Among Homeless People in San Francisco" (\$160,000) |

ROBERT W. GORTER, MD, PHD.
CURRICULUM VITAE

- 1993 Phase I/II study on potential anti-HIV and immunomodulating activities of *Viscum album* (\$ 320,000)
- 1994 - 1999 Grant (\$ 900,000 per year) to head the Institute for Oncological and Immunological Research, Berlin
- 1995 Grant (\$ 200,000) for a phase-II trial to study efficacy of Iscador in women with cervixdysplasia from the German and Swiss governments
- 1996 Bundesministerium für Forschung und Technik, Bonn. Grant (\$ 200,000) to study efficacy of Iscador in women with cervixdisplasia
- 1997 Grant (\$1,800,000) for two clinical trials in HIV positives in South Africa
- 1998 Grant (\$ 1,000,000) for a phase-III trial to study efficacy and anti-HPV activities of Iscador in women with persistent cervixdysplasia and *carcinoma-in-situ*.
- 2009 Grant (\$ 15,000) for a phase II/III study with dendritic cells in patients with stage IV *Glioblastoma multiforme*.

Membership in Professional Organizations

- 1974 - Present International Federation of Anthroposophical Medical Associations
- 1974 – Present Nederlandse Vereniging van Anthroposofische Artsen (Dutch Anthroposophical Medical Association)
- 1974 - Present Medical Section at the Goetheanum, Dornach, Switzerland
- 1978 - 1983 Koninklijke Maatschappij ter Bevordering van de Geneeskunde (Dutch equivalent to AMA)
- 1984 - Present American Academy of Family Physicians
- 1984 - 1994 Community Consortium San Francisco Bay Area
- 1985 - 1993 California Medical Association
- 1988 - 1993 San Francisco Medical Society

ROBERT W. GORTER, MD, PHD.
CURRICULUM VITAE

1988 - 2000	International AIDS Society
1992 - 2008	Deutsche Arbeitsgemeinschaft Niedergelassener Ärzte in der Versorgung HIV-Infizierter (DAGNÄ)
1992 - 2000	Deutsche AIDS-Gesellschaft
1993 – Present	Gesellschaft Anthroposophischer Ärzte in Deutschland
1994 - 2003	Society for Therapeutic Local Anesthesia
1994 - Present	Society for Biologic Defenses against Cancer
1994 - 2000	Deutsche Gesellschaft für Onkologie (German Society for Oncology)
1997 – 2004	American Medical Association (AMA)
2001 – Present	Deutsche Gesellschaft für Hyperthermie (German Society for Hyperthermia)
2001 – Present	Gesellschaft für Biologische Krebsabwehr (Society for Biological Anti-Cancer Defense)
2001 – Present	European Society of Hyperthermic Oncology
2002 – Present	American Society of Clinical Oncology (ASCO)
2003 – Present	International Society for Hyperthermic Oncology (ESHO)
2003 – Present	European Society for Applied Immunology (EGAI)

Service to Professional Publications as Peer Reviewer over the last 25 years:

- Reviewer for AIDS, an International Journal
- Reviewer for Journal of Acquired Immunodeficiency Syndromes
- Reviewer for Journal of the American Medical Association
- Reviewer for Journal of Family Practice
- Reviewer for International Journal of Ethnopharmacology
- Reviewer for the Journal of Alternative and Complementary Medicine

ROBERT W. GORTER, MD, PHD.
CURRICULUM VITAE

- Reviewer for Neurology

Recent and/ or Ongoing University and Community Service

- Volunteer for several non-profit organizations serving people living with AIDS (hospice, homeless shelters, meals on wheels, Nkosi Johnson Foundation, Amnesty International, etc.).
- Member, Search Committees for various positions at the University of California San Francisco, San Francisco State University, and University of Witten/ Herdecke (Germany).
- Board Member and Consultant, Anthroposophic Community Hospital Havelhöhe, Berlin (Germany).
- Amnesty International, volunteering physician for victims of torture in Amsterdam, Berlin and Cologne.
- Deutsche AIDS Hilfe, volunteering physician.
- Advisor to the City and County of San Francisco Taskforce on Prostitution.
- Founding member of the School of Art Therapy (Scola di Luca, which is carried by a non-profit, tax-exempt organization), Florence, Italy (www.scuoladiluca.org).
- Founding member of the „International Society for Oncological and Immunological Research“ in Amsterdam, Berlin, Cape Town, Florence, Johannesburg, Prague, San Francisco and St Petersburg with patient education and support groups.
- Founding member of the Arbeitsgemeinschaft Cannabis als Medizin (National Society for Research of the Medical Use of Cannabis).
- Founding member of the “Haus um die Schenkung”, an international non-profit, tax-exempt organization to establish a center for cultural and economical collaboration (“Third Sector”) in Berlin, Germany (www.HUS.org).
- Founding member, Medical Center Cologne am Eduardus Krankenhaus at Custodistrasse 3-17 in 50679 Cologne, Germany (2006), Cairo, Egypt (2006) and Sachsenring 83 in 50677 Cologne, Germany (2011), Amsterdam, the Netherlands (2009), Istanbul, Turkey 2010) (www.medical-center-cologne.com).
- Founding member of MultiCultiGambia, a non-profit, tax-exempt organization and based in the Netherlands and the Gambia, which supports and makes available scholarships to high school students and students for higher education in the Gambia, West Africa (www.multicultigambia.org).

ROBERT W. GORTER, MD, PHD.
CURRICULUM VITAE

- Advisor to the Lebanese Government for the development of agricultural efforts to grow medicinal plants and develop medications (“phyto-engineering”) in the Bekka, an economically depressed region of Lebanon.
- Advisor to the Anti-Mafia Organization “Contro il Pizzo; Cambia i Consumi” in Sicily, Italy (www.addiopizzo.org).
- Advisor to a consortium of universities in Egypt regarding clinical research with dendritic cells and stem cells in advanced HCV-associated liver cirrhosis.

Invited / Honorary Speaker at National and International Symposia and Conferences on Academic Level

1. AIDS Action Committee of Massachusetts, “Therapeutic interventions in HIV Infection” Boston, June, 1986
2. TUFs University, Boston, Massachusetts, Department of Family Medicine, “Transmission and Treatment of HIV Infection” October, 1986.
3. University of Amsterdam, Department of Medicine, “Epidemiology and Treatment of HIV Infection and Opportunistic Infections” October, 1986.
4. American Association of Anthroposophical Physicians: “Possible Treatment Options from an Anthroposophic Point of View: *Viscum album* as a Unique Immunomodulator with Antiviral Properties”, New York, June, 1987.
5. Kaiser Permanente, Oakland/Hayward, “Treatment of Opportunistic Infections in HIV/AIDS” August, 1987.
